Centauri Middle School provides a student centered environment and middle school concept for learning. The administration, faculty and staff recognize their responsibility to meet the needs of students and families while respecting the dignity and uniqueness of each individual. It is with that in mind, that this handbook was prepared.

This handbook is designed to be used as a reference guide for students, parents/guardians, and staff to help them become better acquainted with the school. The handbook does not, nor was it intended to cover all situations that may occur during the course of the school year. Situations that are not covered by this handbook will be handled at the discretion of the administration.

May this year be enjoyable and profitable to you as a student. School is a cooperative venture. Our staff members are here to teach and help you grow and develop. Show them the respect they deserve. Take advantage of the opportunities available and make this a great year.

North Conejos School District RE-II is an equal opportunity institution and does not unlawfully discriminate on the basis of race, color, national origin, sex, or disability in admission or access to, or treatment, or employment, in its educational programs or activities.

Decisions made by school personnel which students believe are unfair or in violation of pertinent Board Policies or individual school rules may be appealed to the principal, or a designated representative, or by following the specific appeal process created for particular complaints (See North Conejos Policy J11(JH)). inquiries concerning Title VI of the Civil Rights Act of 1964; Title IX of the Education Amendment of 1972; Section 504 of the **Rehabilitation Act of 1973; Age Discrimination Act of 1975, and Title II of the Americans with Disabilities Act of 1990** may be referred to **Kevin Schott, Superintendent, PO Box 72, La Jara, CO 81140 or to the Office of Civil Rights, U.S. Department of Education, Region VIII, Federal Office Building, 1244 North Spear Blvd., Suite 310 Denver, CO 80204, (303) 844-2991.**

The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99) is a Federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education.

FERPA gives parents certain rights with respect to their children's education records. These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level. Students to whom the rights have transferred are "eligible students."

Parents or eligible students have the right to inspect and review the student's education records maintained by the school. Schools are not required to provide copies of records unless, for reasons such as great distance, it is impossible for parents or eligible students to review the records. Schools may charge a fee for copies.

Parents or eligible students have the right to request that a school correct records which they believe to be inaccurate or misleading. If the school decides not to amend the record, the parent or eligible student then has the right to a formal hearing. After the hearing, if the school still decides not to amend the record, the parent or eligible student has the right to place a statement with the record setting forth his or her view about the contested information.

Generally, schools must have written permission from the parent or eligible student in order to release any information from a student's education record. However, FERPA allows schools to disclose those records, without consent, to the following parties or under the following conditions (34 CFR § 99.31):

- School officials with legitimate educational interest;
- Other schools to which a student is transferring;
- Specified officials for audit or evaluation purposes;
- Appropriate parties in connection with financial aid to a student;
- Organizations conducting certain studies for or on behalf of the school;
- Accrediting organizations;
- To comply with a judicial order or lawfully issued subpoena;
- Appropriate officials in cases of health and safety emergencies; and
- State and local authorities, within a juvenile justice system, pursuant to specific State law.

Schools may disclose, without consent, "directory" information such as a student's name, address, telephone number, date and place of birth, honors and awards, and dates of attendance. However, schools must tell parents and eligible students about directory information and allow parents and eligible students a reasonable amount of time to request that the school not disclose directory information about them. Schools must notify parents and eligible students annually of their rights under FERPA. The actual means of notification (special letter, inclusion in a PTA bulletin, student handbook, or newspaper article) is left to the discretion of each school.

On the second offense, the student shall remain in the administrative office for the day and do schoolwork and a conference with parents/guardians shall be held. [Note: The Board needs to determine whether any classes missed as a result of the second offense are considered excused or unexcused absences.] On the third offense, the student may be subject to noon detention, or other disciplinary action as outlined in the school discipline code. ---

School excused absences will not be counted against perfect attendance. Please make sure and check your child out of the office when picking them up during the school day. Students from CMS are expected to demonstrate good sportsmanship behaviors at all school sponsored events. They are expected to be courteous to all competitors by not booing or engaging in activities that may be unsportsmanlike. Students who violate the sportsman-ship guidelines may be suspended from attending CMS activities. More information is contained in the CMS Athletic Policy Handbook for reference.

---

All visitors to the school must first check in at the school office. All exterior doors are locked and you will need to call 274-4301 or "buzz in" if you wish to be let in the building. You will be issued a visitor's tag that must be worn until you check out in the office. This policy is enforced for the safety of the students and the staff.

Parents/guardians are always welcome to visit school at any time. **It is a safety mandate that you check in at the office and sign the register as you enter in order to pick up your pass.** We hope all parents will make an effort to visit the rooms of their students to observe the work of students and to keep acquainted with the materials and learning techniques used by the various teachers.

---

### **OTHER STUDENTS VISITING SCHOOL**

---

While we encourage parents to visit school, it is not in the best interest of the students of our school to have visiting relatives or friends visit the school. These visitors usually cause a disruption in the classrooms no matter how well behaved they might be. Please consider this before requesting permission for your student to bring a visitor to school. **All visitor requests must be approved by the principal.**

---

### **DISMISSING STUDENTS FROM SCHOOL**

---

Parents or guardians listed on a student's emergency card must enter the building to sign out students. **A student will not be allowed to meet parent/guardian out in the parking lot.** A person requesting to excuse a student to leave school, whose name is not listed on that student's emergency card, will be required to call the parent or guardian to give the school permission to release that student

### **CONTRABAND CANINE**

---

CMS is visited at random by a harnessed, trained contraband canine and professional evaluator. This canine is used for detection of any contraband that could be harmful to any student, staff or visitors to this educational institution. Any contraband found in any area of the entire campus will be subject to consideration of disciplinary action by the building principal, superintendent or local law enforcement.

### **STUDENT CONDUCT IN SCHOOL VEHICLES**

---

If you are a bus student or athlete on a school sponsored trip, you are under the supervision of the bus driver according to the same regulations as those of the classroom teacher. Please read the bus rules and regulations sheet given the first day of school. A copy of these rules is also posted in each bus. Riding a bus is a privilege provided by North Conejos School District. Any student who fails to maintain appropriate conduct while waiting for a bus, riding a bus, or walking to or from bus stops may lose the riding privilege temporarily or permanently. Video cameras may be used on school vehicles transporting students to monitor behavior. **Bus discipline will be at the discretion of the principal; administration reserves the right to handle each bus discipline referral on a case-by-case basis.**

---

### **CLOSED CAMPUS AND DESIGNATED AREAS**

---

We are a closed campus. Students must stay on the school grounds (CMS area) from the time they arrive until the time they are dismissed, or until they are picked up by the bus. Students are not to leave the school grounds unless an authorized person comes into the office and signs him/her out. We will not allow an unauthorized person to check out any student.

No Centauri Middle School student will be allowed on the Centauri High School campus unless accompanied by an instructor or permission has been granted by the office.

Students are only allowed to be directly in front of CMS (lawn area) in the morning before class, breakfast, lunch time, and after school. Students are not allowed on the North, East, or West sides of the building unless accompanied by a CMS staff member.

**Students will not be allowed in the CMS Gym during passing periods or lunch if the doors are closed.**

---

### **FIRE DRILLS/LOCK DOWN PROCEDURES**

---

The fire drill/lock down procedures will be recognized by designated signal. Teachers will discuss with students the important factors which are to be recognized during an emergency drill of this type and the exit routes to be taken from each classroom. A CMS fire exit plan is posted in each room.

### **AR/STAR GUIDELINES**

---

STAR Test will be administered at the beginning/mid-term/end of school year (or upon registration for new students) to acquire student's reading zone and progress.

Upon teacher written request/reasoning and parent permission, a student may retest once within the first 15 school days after beginning/mid-term/new student arrival.

All CMS students are required to read books and take AR quizzes that relate to the reading material to meet their goal of points set forth by the AR/STAR assessment. Students may read books at any level but must meet the reading goal that relates to their reading abilities.

AR Grading:

100 – 90 A

89 – 80 B

79 – 70 C

69 – 60 D

59 and Below F

Individual reading grades will be determined by percentage of points acquired towards goal and reading class participation. Tests must have been taken by deadline date per quarter before the end of each nine-week period. Students who are absent on that day will have the first day upon return to school to test.

The reading period teacher will be responsible for informing students of status of points/AR grade as the quarter progresses. All teachers are responsible for reading time during reading period and for allowing students permission to test in the classroom, library, or computer lab.

\*AR books checked out from the library will follow library policies.

\*Students will receive AR scores as each test is completed and are responsible for keeping parents informed. Reading grades will be update in the Infinite Campus portal or can be requested by contacting the office.
