Re: Consolidated Federal Programs Application Approval

The Colorado Department of Education has reviewed your district/BOCES Consolidated Federal Programs Application for fiscal year 2017 (July 1, 2016-June 30, 2017) and all applicable Title programs have been given final approval. Attached is the Grant Award Notification which provides the terms and conditions for the approved programs.

The district/BOCES may begin to request reimbursement for expenditures on or after the date listed on this letter. Access to the request for funds form can be found at http://www.cde.state.co.us/cdefisgrant/nclb_download. Send the completed Request for Funds form electronically to the Grants Fiscal Management Unit at gfrff@cde.state.co.us. If you experience difficulty accessing this form, contact Kristen Gines at 303-866-6905 for assistance.

The district/BOCES prepared the application using preliminary allocation amounts. Please wait to submit the first budget revision until after the following have occurred:

- Final allocations are available,
- Completion of the FY 2016 End of Year/ Annual Financial Report,
- Completion of the FY 2016 Set Aside Activity Report and
- Identification of final carryover amounts for each program.

Congratulations on successfully completing the FY 2017 Consolidated Federal Programs Application. CDE appreciates your timely completion of this process. If you have any questions, please do not hesitate to contact us. Best wishes for the school year.

Sincerely,

Federal Patrick Chapman, Executive Director
Federal Program Administration

David Schneiderman, Supervisor
