

Violent and Aggressive Behavior

The Board recognizes there are certain behaviors that, if tolerated, would compromise the learning environment to which the students and staff of the district are entitled. These behaviors, categorized as violent or aggressive, will not be tolerated.

Students exhibiting violent or aggressive behavior or warning signs of future violent or aggressive behavior will be subject to appropriate disciplinary action including suspension and/or expulsion in accordance with Board policy concerning student suspensions, expulsions and other disciplinary interventions. As appropriate and in accordance with applicable law and Board policy, students may also be referred to law enforcement authorities. At the district's discretion and when appropriate, the student may receive appropriate intervention designed to address the problem behavior. The district may also conduct a threat assessment of the student.

Students must immediately report questionable behavior or potentially violent situations to an administrator, counselor or teacher.

A staff member who witnesses or receives a report of a student's act of violence and aggression must notify the building principal or designee as soon as possible.

An act of violence and aggression is any expression, direct or indirect, verbal or behavioral, of intent to inflict harm, injury or damage to persons or property. A threat of violence and aggression carries with it implied notions of risk of violence and a probability of harm or injury.
