

North Conejos School District R E 1-J

Hello Centauri Community,

October 18, 2023

The Health & Prevention Professionals meeting met today and we discussed a number of great things that we'd like to do in our schools!

- Our youth advisory team is up and running
- Surveys were completed by both middle & high school students (13 & up) on 10/17
- The staff wellness survey will go out tomorrow 10/19 and staff can enter for a prize after completing the survey
- Amber Martinez will order snacks again, should have them Monday 10/23
- We discussed endorsing a step challenge between the district
- We discussed the Dec 15 PD day

We would like to invite any interested community member to join our Health & Prevention meetings. We meet every second Tuesday of the month at 9am in the central office conference room.

Thank you!
