#### Re-opening plan for the North Conejos School District

August 10, 2020

We learn more about COVID-19 every day, and as more information becomes available, CDC will continue to update and share information. As our knowledge and understanding of COVID-19 evolves, this guidance may change. However, based on the best available evidence at this time:

**CDC does not currently recommend universal symptom screenings (screening all students grades K-12) be conducted by schools.**

**Parents or caregivers should be strongly encouraged to monitor their children for signs of infectious illness every day.**

**Students who are sick should not attend school in-person.**
